Hello my name is Olly Murrs and I was the sickest of the 7 puppies rescued by GSDR back in August this year. If we had been left there for another 24 hours we would Have died without a doubt so I would like to say a massive Thank you from all of us for saving our little lives and Finding us such fab homeswe are really Really happy now and thanks to this bloody fab rescue We will soon be enjoying our first Christmas dinner and Getting our first pressies from Santa Paws!! By the way Thats me on the cover playing in the snow...i lurved it!!!!

Tara was found last October abandoned, tied to a tree in some woods .Someone saw her, thought nothing of it, then 2 days later walked past again & she was still there. The dog warden was called & she went to German Shepherd Rescue - looked after by Darren & Joanne.

Around that time sadly our German Shepherd bitch died.

In December via GSR we heard about Tara & that she had one ear down ,one earup,approx 8yrs old & decided to give her a good home.

The Vet also found that she has a damaged shoulder & a loose tooth with an abcess under it.

I took her to dog training with Heather Stevens at wetrainanydog.com (formerly canine connection).

In February she passed her Bronze good citizen obedience assessment.

In April she passed her Silver assessment.

In August she passed her Gold assessment.

This is some achievement for an 8 year old rescue.

She joined Heather Stevens "Phoenix Paws Canine Demonstration Team", & has done several demos at Sinderby, Kirkby Steven & Thirsk this summer.

We hope to be at Pateley Bridge on Monday. Did you say you would be there? If some what is a good time?

Regards, Alan Beaton.

For Heaven's Sake

WHO GOT NEW HOMES.....

SADIE

OSCAR

ODIN

**CALENDARS/ CARDS AND HERES WHAT YOU GOT FOR YOUR
MONEY.....**

WELL, WHAT CAN I SAY, THE CARDS AND
CALENDARS WERE A MASSIVE SUCCESS, SO MUCH SO
I AM STILL ORDERING AND POSTING NOW!!
YOU MANAGED TO RAISE JUST OVER £250 AND THIS
IS HOW WE SPENT IT:
DEISEL WAS CASTRATED TO TRY TO CALM HIM DOWN
FOR RE HOMING.
PRU THE LOVELY WHITE GIRL CAME INTO THE
RESCUE IN A POOR STATE WITH HER DAUGHTER
AND PRU HAD A VERY UNSIGHTLY LUMP ON HER
HEAD WHICH WE REMOVED.
BRUNO CAME TO US VIA A DOG WARDEN AND WE
WERE ABLE TO PAY FOR 2 WEEKS KENNELING FOR
HIM, FINGERS CROSSED HE MAY NOW HAVE A HOME!

***I think all the dogs would like to say an enormous thank you to everyone
Who bought the calendars and cards to have enabled the rescue to be
Able to do all the extra things that we have done.
Heres to next year, I think I need to start earlier next year!!!!***

DEISEL.....MINUS HIS BITS AND BOBS THANKS TO YOU GUYS!!!!

WHAT A STUNNER HE IS.....!!

***Another year is coming to an end and I think its safe to say you can all
Give yourselves a huge pat on the back as 100's more dogs were saved and
Re-homed thanks to every volunteer in this rescue!***

***Now thats the flowery stuff out the way, dont be sitting on your laurels or
Your srses for that matter there are 1000's more dogs out there crying out
For our help. Dont forget however little you can do it all counts believe me***

***Donations are the key to this rescue carrying out all the great work we do
So at every opportunity if there is a chance of a donation.....grab it with
Both hands and run!!!! The public need to start to realise it is not our
Responsibility to take care of their dog when they don't want it anymore
Its theirs and they need to donate towards however small...it all counts.***

***One last thing, will all male volunteers in the SE region just be careful
If the lovely Lizzie asks you to pop round to help her with a difficult dog
And then steers you towards the utility room....run, get out, one poor
Bugger spent about 6 hours in there the other weekend and I am led to
Believe last weekend was just some random member of the public! Love
You Elizabeth... xx***
